EEK CONCRETE LTD

Job Description

John Eek and Son Ltd is family run haulage, excavating, aggregate supplier and snow removal company. We are looking for a well-rounded individual that is capable of doing multiple tasks in the construction industry. We offer a chance to do a variety of driving jobs:

- Tri-axle dump truck
- End dump
- Live-Bottom
- Tri-axle and pony pup
- Snow plow operator
- Equipment float operator
- Stone slinger operator
- Volumetric Concrete Mixer Operator

We also have a range of heavy equipment including excavators, loaders and bulldozers. We can offer the right candidate the opportunity to gain experience in different fields and they can choose the path that is best for them. We run a modern fleet of trucks and equipment and offer top of the industry wages based on experience.

Compensation

- Top of the industry wages
- Bi-Weekly Direct Deposit
- Benefit Package
- Boot allowance
- Year-round employment
- Parking close to home

Requirements

- Valid DZ or AZ license
- Clean abstract and CVOR
- Positive Attitude
- Self-motivated, punctual, reliable and safety conscious
- Strong ability to work as a team
- Strong ability to follow instruction and have knowledge of Simcoe County and York Region

Responsibilities

- Pick up and deliver various aggregate products throughout southern Ontario
- Perform and record trip inspections and comply with documentation requirements

We are a growing company that is continually looking for highly qualified, dedicated and motivated employees with a customer first attitude. At John Eek and Son Ltd we value the importance of a quality work force. We pride ourselves in providing our customers with top quality equipment and professional drivers.
